As you may have heard, Ed White of OISC, has passed away. Leo Reed at OISC announced this for the first time at last week's full SFIREG meeting last December 7. This announcement came as a great surprise and sad moment for many of us. Please find the obituary for Ed as attached.

Please share with others whom you think may have worked with Ed in past years and have an interest. Thank you.

Hello again, everyone:

I have attached a tribute to Ed White, which I received from OISC this morning. As you will read, services will take place next year at some time. In the meantime, donations to Purdue University in his memory are being accepted; instructions appear in the attachment.

Again, please feel free to forward this link to others whom I haven't reached that might wish to extend their condolences.

Thanks, and please let me know of any questions.
